

LRGC Bulletin

March 31 2022

Attention All Members: Fee Increases Effective April 1

The LRGc continues to be a non-profit society providing convenient, local, premier, shotgun, indoor rifle/pistol and archery ranges while serving both it's members and the public sport shooting community. As members, we believe that you recognize and enjoy the benefits of our club relative to others more distant and/or less affordable.

However, due to the continually increasing operating costs the club must currently endure, we are raising club fees across all activities, to be shared by all, as follows - as of April 1st:

1) Outdoor and indoor shoot/session fees will increase by \$1.00 from \$ 7.00 to \$ 8.00.

2) Non-member drop-in fees will increase from \$15.00 to \$20.00 per day.

3) Archery fees will increase for both the annual fee and indoor shoot fees for members and non-members - please see the archery page on the website (www.lrgc.com) for details.

4) Special indoor and outdoor shooting event costs will increase proportionally to cover the club's added costs.

(Note that client indoor rental rates were also raised significantly as of Jan 1, 2022).

While the LRGC Board tries to keep the club activities as affordable as possible, but we cannot continually absorb the cost increases due to both increasing operating costs and our now highly burdensome property tax bill.

We trust that our members and guests will recognize the quality and convenience of our Langley shooting facilities and continue to support the club and our efforts to provide these facilities into the future.

Sincerely,

Your LRGC Board
